ORDER

[JACK B. WEINSTEIN](#), Senior United States District Judge.

*1 Eli Lilly and Company has informed the Court that it has reached settlements in a substantial number of the cases currently pending in this multidistrict litigation. As a result, the Court has scheduled a status conference for all cases on January 16, 2007. (Order of January 4, 2007.)

Those cases not settled remain subject to the previously ordered discovery, motion and pre-trial schedule set forth in Case Management Order No. 20 (CMO-20). In light of the recently announced settlements and the now scheduled January 16th status conference, the operation of the CMO-20 schedule is suspended for a period of 30 days. Further adjustments to the schedule will be discussed at the January 16th status conference.

This Order and the suspension of the CMO-20 discovery and motion schedule *does not* apply to the pending cases of plaintiffs Niely Perry, Monty Souther and Robert Cusella (06-CV-1729). These cases remain subject to the briefing and hearing schedule set forth in the Court's Order of January 2, 2007. Experts' reports may be filed in these cases.

SO ORDERED.
